

PRESIDENT, ROB CRONKWRIGHT - 54515

(president@canadajcisenate.com)

Fellow Senators, first off, I would like to once again thank the Senators and Jaycees of Vernon, BC, for an absolutely amazing National Convention and Crew Meeting. Sandra and Nicola and all the members of the 2019 NATCON Convention Committee did a wonderful job making sure that everything was planned perfectly. The tours were spectacular, and the wines were delicious. The "Friendly" golf was a riot, and everyone that attended had a great time. The committee even ordered up perfect weather for the golf and all the tours. Congratulations to all Senators and Jaycees in Vernon.

The First Lady, Soraya, and I continued to enjoy the BC hospitality for a few more days, traveling south through Central BC wine country. We didn't find a bad bottle of wine anywhere we went.

Unfortunately I was not able to attend The Greater Toronto JCI Senate & Alumni's 2019 Gourmet Dinner, but I have heard that it was another wonderful evening, well attended, and extremely enjoyable. Thanks go out again to Senator Louis Trehan for keeping myself, and many others, up to date with his very informative Greater Toronto Senate newsletter.

More recently, I had the pleasure of attending the Durham Senate 2019 AGM. Much congratulations to outgoing President Al Murphy, and outgoing Treasurer Gary Shiers. Both gentlemen have done an amazing job corralling the sometimes overly-zealous Durham Senate members. And they did it with class. Congratulations to the Durham Senate's incoming executive, President Eric Cowan and Treasurer Paul Chapman. They have very big shoes to fill, but I know they will also do an amazing job. Congratulations also to Senator Paul Chapman, Durham Senate's newest Senator. I have been told that the Durham Senate Group is planning to host their 35th Anniversary Gala Dinner. I believe that they are shooting for some time in February, 2020.

I would like to take this opportunity to urge every Senator, and Senate group to reach out to each other. Let's keep everyone informed about what is happening. And please don't hesitate to call me or email me if you would like to have any events or functions that you would like passed on to the Canada JCI Senate.

Finally, myself, and members of the Canada JCI Senate executive are working to update and revamp our Terms Of Reference, as directed by General Assembly in Vernon. Past President Blair has already implemented the changes into the TOR that were passed at the 2019 AGM. Once the rest of the proposed updates have been done, we will pass along these proposed amendments to the membership for discussion.

I wish everyone a Merry Christmas, Happy Holidays, and a wonderful New Years to you and yours.

PAST PRESIDENT, BLAIR FRASER - 36336

(ppresident@canadajcisenate.com)

It has been a busy fall since our return from Vernon. Gloria and I had such a great time in Vernon, the committee did a splendid job of hosting us all. The Crew Meeting was a success, with many TOR amendments passed, and a new thrilling executive elected. Gloria and I will travel to Hawaii on January 16th as we do each year with the highlight being able to catch up with our Senate friends in the Hawaii JCI Senate Oldtimers. Their annual banquet is each year when we are there and we attend, having a great time. Looking forward to seeing the US Senate President again, Lawrence Pitman in Hawaii

Gloria and I will travel to Europe in late April 2020 for a self tour of Portugal and Spain with Paris and a visit with UK relatives too. However, the highlight will be our attendance at the EC2020 JCI European Conference in Dublin. The conference is 4 days with a conference pre-tour also 4 days in advance being hosted by the Ireland JCI Senate. After that ends we will pop up to Belfast and visit with a Senator or two.

Please remember that the next Crew Meeting is in September 2020 in Montreal, I urge you to register early. love Montreal!

When I was little I couldn't wait for Christmas to arrive and I remember my mother telling me that someday when I was her age time would move much faster. I couldn't even begin to understand. I totally get it now. It is hard to believe it has been three months since I was attending my first Canada NATCON and Senate Crew meeting, what a wonderful time I had.

The US caravan included one current and three past National US Senate Presidents, a past First Lady, and a cross (dual - not angry) ambassador from ASAC to Canada.

The hosts did a great job of showcasing the beauty in your gorgeous and bountiful valley. Shout out to Sandra Simao and team on an excellent job of the excursions. We arrived late and missed the wine tour, which everyone else said was great. Having never been in this area, we were impressed with how much ground we got to cover in such a short time. I am sorry I didn't understand what 'fun' golf was. I am not encouraged at home to participate in golf, but I know I would have had a blast at yours. I have now been to my first Cidery and Meadery. Learned a lot about Bees and that apples grow on what appears to be branches and not full trees.

Thank you to Blair Fraser for all the intel leading up to the event that made the event as a first timer even nicer. I have really enjoyed interacting and following (slight stalking) the members of the Canada Senate that were willing to friend me on Facebook. It has been great to stay connected with my new friends from my home country and thank you all for allowing me in.

On behalf of the US JCI Senate, I invite you all to enjoy some southern hospitality in Melbourne Florida Jan 23 – 26, 2020. I would say come where it is warm, but the last two winter boards in Florida, it was downright bitter. Colder than it was at home. I am hopeful for this January and warmer temps. In June, we would invite you to our National Convention in Greensboro, North Carolina June 21 – 26, 2020. I am attaching fliers for both events.

Christmas is a time of family traditions, friends and giving. Not just giving/exchanging gifts, but giving back to our communities. My love for serving was founded as a young Jaycee and continues today. May the spirit of Christmas and the joy of giving live in each of you.

SPOT LIGHT ON SENATOR MONICA HORNING, 77887

In 2012 my friend and co-worker Carlo Carbajal asked if I could help him organize a new members event for JCI Penticton. I had no idea who or what JCI Penticton was, so naturally I said "yes". Over a few beers at the clubhouse, Carlo and I dug out some dusty old scrapbooks and started planning JCI Penticton's first ever new members scavenger hunt. Very quickly we learned of all of the cool projects that the Penticton Jaycees were a part of (some that stood out to me included the Channel Beautification Project, Jaycee Place Project, the Seatbelt Drive, the fundraiser & raffle for the house on Balsam Ave and of course Mr Muscle Miss Bikini). I was hooked. That year I joined JCI Penticton and that fall I was elected as Vice President & Training Director. The following year, I chaired JCI Penticton's 30th Annual Mr Muscle Miss Bikini contest and that fall, I was elected as Penticton's incoming Chapter President for 2014. I have had the pleasure of attending three National Conventions and many Regional Conventions. I have chaired and co-chaired many projects within JCI Penticton and most recently had the opportunity to sit on the Regional Board.

JCI has had a huge impact for me, personally and professionally creating many learning and development opportunities that have helped me "be better" in so many ways. I have met many amazing people and have developed so many forever-friendships. The fellowship, mentorship and camaraderie are like no other. This is an organization that continues to surprise me, encourage me and inspire me and I'm so grateful to be a part of it for many more years.

Wishing All a "Happy Holiday Season".

So safe travels and hope to see you "DOWN THE ROAD"

SPOT LIGHT ON SENATOR STU CROUSE, 35450

What JC's did for me!

After a couple of weeks of thought after Blair asked me to write a couple of paragraphs on this subject the following are those that made the biggest impact on my life and my work experience.

The first was taking the Leadership Program and then instructing the same! This program gave me the knowledge and the confidence to present myself to others in an orderly and effective manner wether it was working with my sales team or doing quarterly reports to my superiors. It helped me to plan and to execute those plans in an orderly and effective manner. The program also allowed me to pass that knowledge on to those I worked with that wanted

to advance within the companies that I was employed with. That ability turn out to be the most rewarding for me now that I am retired. The second was taking the Effective Speaking program and then once again instructing the same! This program gave me the ability to present the presentations I mentioned in the above paragraph. It eliminated any fear and trepidation that I may have had in these presentations. (Four years of presenting every quarter to Canada's richest man). Turned out to be not that big a deal, being prepared and being able to effectively present was the key. JC's worked for me for years and can work for you.

**Senators, Fellows and members of the Crew**

I'm writing you in my final weeks as president for JCI Canada. I've just returned from World Headquarters in St. Louis where I attended the Presidential handover ceremony and flag raising. This trip bookended my year as the leadership team and local presidents were there in January to start our year at the Leadership Training University seminar.

Since our time together in Vernon, members have been busy conducting projects. In November, I led a group of a dozen members to Tallinn, Estonia for the 2019 World Congress. The Canadian booth at global village was one of the most popular. Itai Manyere of Zimbabwe was elected 2020 president, Kevin Hinds #75480 (Barbados) our Executive Vice President and Shenella Govia #76808 (Antigua) our International Vice President. I was appointed to the Strategic Plan Implementation Committee and the By-Law Review Committee.

JCI is creating leaders for a changing world, and 2020 National President Stefan Cherwoniak (#78157) has set out his Vision2020 plan. At the core of his plan is, empowering members, improving communications and growing our membership. This is where we need your help, please encourage young people you know to join our organization. President Cherwoniak can be reached at scherwoniak@jcicanada.com

Through the support of the Canada Jaycee Foundation we are launching a new podcast. "Join.Converse.Inspire" the JCI Canada Podcast hosted by NVP Sue Solymosi (#77603) link: <https://anchor.fm/jci-canada> episodes will start to be released in the new year but you can listen now to the preview.

The year as president has taken me over 75,000km, to 5 countries, 6 provinces and 8 states. There were more highs than lows, we've added almost 15 new Canadian Senators this year from BC in the West to Quebec in the East. It was great to see so many senators join us at the National Convention in Vernon. I'm excited that we are heading back to Montreal next year with another join convention. Next year I'm going to be the Senate liaison. I truly believe that service to humanity is the best work of life. I hope that you all have a great holiday. Wishing you and yours a Happy New Year.

SENATOR COMMENTS

Douglas Wight 1370

I am always interested in what Canada JCI and Canada JCI Senate are doing. Please keep me on your mailing list.

Ken Bradley 4294

Thanks for reminder of my annual contribution to help cover overhead costs for the Canada JCI Senate. For some reason my memory is lacking more the older I get. (Will be 95 years on Sept 11th) I miss Barney's yearly reminders. He was a great loss to our organization. Thanks for the effort the Executive Members are doing to hold our group together.

Bill Barlow 2122

When I was presented with my Senatorship, along with 2 other Jaycee Past Presidents, our Jaycee Unit was known as the South Waterloo Jaycees. Later we became the Galt Jaycees and then the Cambridge Jaycees. Unfortunately, there is no longer a Jaycee Unit in Cambridge. Over the years we grew from 3 to 14 senators. Now, because of passing's, we are down to 6 current members. We still get together to talk about the "good old days" and anything else we can remember. Keep up the good work.

Don Osterman 16577

It's been a tough year with losing some "icon" Jaycee Senators. They will be remembered and missed. Rest in Peace.

Brian Maloney 3423

I am well into my senior years; was 96 in April. I still enjoy our semi-annual local Senator breakfasts.

Maurice Harquail 10643

First of all I wish to thank the Executive for their service. As I mentioned in my speech at the Charlottetown Senate AGM, Jaycees and the Canada JCI Senate have played an important roll in my career in business Municipal Government, and in my 10 years in the House of Commons in Ottawa. I send my warmest wishes to all my fellow Senators.

Mike Pearson 25378

Well, my wife Mary said she wanted at least 25 years out of me; we just completed 28 years and we're still having fun. I have changed jobs; after 27 years driving courier, I gave my notice and took another delivery job with "PAINT FIX" a family owned and managed automotive paint supply company. Mary is working full time at Northdale MacDonalds. We spent 2 weeks vacation in early August visiting family and friends in Alberta and B.C. Keep healthy and stay in touch!

John Cook 58300

We moved to Vernon from Prince George to retire and enjoy the great weather, entertainment and restaurants. I am looking forward to JCI and Senate convention in Sept. Thanks to the executive for their hard work.

SENATOR COMMENTS

Robert English 35287 and Marilyn English M.L. 152

Still retired and living in Burlington. I see fellow Mississauga retired Jaycees regularly. Plans are underway to celebrate the 40th anniversary of Jaycee Park in September of 2020. We keep busy with Probus and church activities. Hello to all.

Merrill Pottle 23412

We really enjoy getting the Canadian Senate news and to hear about the people we met in our travels. We are not able to travel to national meetings as much anymore, but we are still active at the New England Regional level.

Douglas MacLennon 48437

Greetings and thanks to you for the contribution reminder. I just want a special thanks to the Executive for all their hard work and dedication. Enjoy the rest of 2019.

Cec Bechamp 17849

Merci for the reminder. I have been involved for many, many years. Jaycees promoted involvement in community, provincial and national affairs. Plus, met outstanding members of all stripes, ambitions and genuine caring for others.

Dan Ward 35378

Oh, oh! It's starting to rain in beautiful Vancouver. It's time to pull out the boat from the lake, cover the corvette and find my leather jacket, eh!! Happy coming winter everybody. Good health to all. Cheers.

George T. Brunton 8391

It's a pleasure to support this worthy organization. It's a honor to be a SENATOR!

Stan Cramton 10414

Enjoying the news and keeping up to date on events and activities. Still travelling: Canada, Virginia, Pennsylvania and as well to Russia, however not as often as previously. Enclosed in my financial contribution for 2019.

James Kelly 270

Enclosed please find contribution – for the cause. You will note change of address as we are now in a retirement home. Keep up the good work. Always enjoy the latest news on senate activities.

Martin Tuohy 24500 / Carol Tuohy 73044

Here is our financial contribution. We are both senators but only one newsletter is needed. We really enjoy reading it. Since we do not use social media at all, we were shocked and saddened to read of the passing of Barney Ziola. Barney and Molly were friends and visited us in St. Thomas, Virgin Islands. Speaking of the Virgin Islands, as we look at the total devastation Hurricane Dorian rained down on the Bahamas, our thoughts and prayers go out to those people. We Virgin Islanders well remember just two years ago, Hurricanes Irma and Maria. Two category #5 storms hit our islands in two weeks. We lost our master bedroom and our electric was out for 135 days! There are many organizations here collecting donations and we will certainly be giving. Just imagine if every JCI Senator around the world uttered a prayer and gave only \$1, how amazing and helpful that would be. God Bless.

Jim Harmaty 31809

Hello! Enclosed you will find my cheque for dues. Past US – JCI Senate, Ambassador to Canada 1989-1995

Dwaine Anderson 33057

Enjoy the read and the pictures. Also the color. Nice job!

Ed Richter 12846

Recently joined Durham Region Senate.

Ralph Thompson 10053

Enjoy the newsletter!

Gale Jeffrey 27536

Donation sent by e-transfer. Saying hello to all my fellow Senators from Coast to Coast that I have met since 1978. Trust everyone is well and enjoyed the summer. Last Spring, we lost our cottage to the flood in NB so are getting somewhat back to normal after rebuilding – a mortgage at 73 sounds and is crazy but our children and grandchildren and blended family love it there. Has been in our family for over 50 years so would have been hard to let it go.

Gord Uhlich 44374

All the best to the JCI Senate in 2020.

Robert Askin 33187

Hi Daniel, my contribution. My profile information remains the same. A number of us Mississauga past Jaycee members and Senators meet once a month for coffee or lunch to keep in touch.

Jaycees helped fight racism in Victoria

Re: "B.C. polices the camps," Nov. 17.

I read with interest this article by John Price. I was one of those Japanese Canadians interned during the war and like the Madokoros, we spent time at the cattle pens of the Pacific National Exhibition and many years at Lemon Creek in the Slocan Valley.

I was one of the first Asians to be accepted in the Royal Canadian Navy.

In all, I spent more than 15 years in the service, including eight stationed at Esquimalt.

I started as an ordinary seaman and rose through the ranks to petty officer first class and then received a commission and was promoted to lieutenant. I received a Canadian Forces Decoration.

During my stay in Victoria, I was a proud member of the Victoria Jaycees.

They were helpful in fighting racism in Victoria and helped me open doors closed to Asians.

One well-respected citizen of Victoria, Eric Charman, was a fellow Jaycee.

Prior to 1949, Orientals were not permitted in movie theatres of Victoria and many clubs refused entry.

I experienced no racism in all the years I spent in the navy.
