

**PRESIDENT, ROB CRONKWRIGHT - 54515**

*([president@canadajcisenate.com](mailto:president@canadajcisenate.com))*

As I sit here in my home office, under self-imposed isolation, my heart is both saddened and angry. Never in my 61 years have I seen such wide spread paranoia, fear and self-interest. People cleaning out grocery stores of essential products like they plan on exiting into their bomb-shelters for the next 5 years. Not caring if there is going to be enough left behind for the next family. Due they not realize that the grocery store will be back open again tomorrow, and next week, and next month, and next year. Normally, at this time of year, my report would be filled with the dates and venues of upcoming Regional, National and International events. But alas, with the reports coming in to me, all upcoming events have been put on hold.

And with governments closing borders, and more and more businesses shutting down, and being shut down. We will just have to wait and see. In the past 4 to 5 weeks I have been reading many articles about our current situation. But one particular article has really stuck in my mind. With everyone's indulgence, I will "borrow" some key points in this gentleman's excellent take on our situation.

**March 8 at 7:23 AM**

**By Dr. Sharkawy On COVID-19:**

"I'm a doctor and an Infectious Diseases Specialist. I've been at this for more than 20 years seeing sick patients on a daily basis. I am not scared of Covid-19."

"What I am scared about is the loss of reason and wave of fear that has induced the masses of society into a spellbinding spiral of panic, stockpiling obscene quantities of anything that could fill a bomb shelter adequately in a post-apocalyptic world."

"I am scared that travel restrictions will become so far reaching that weddings will be canceled, graduations missed and family reunions will not materialize. And well, even that big party called the Olympic Games...that could be kyboshed too. Can you even imagine?"

"But mostly, I'm scared about what message we are telling our kids when faced with a threat. Instead of reason, rationality, open-mindedness and altruism, we are telling them to panic, be fearful, suspicious, reactionary and self-interested."

"Covid-19 is nowhere near over. It will be coming to a city, a hospital, a friend, even a family member near you at some point. Expect it. Stop waiting to be surprised further. The fact is the virus itself will not likely do much harm when it arrives. But our own behaviors and "fight for yourself above all else" attitude could prove disastrous."

I ask all Senators to try and take that extra step. Be the rational one. Be the voice of sanity and reason. Help out your fellow man/woman whenever you can. Like Measles, Shingles and SARS, this too shall pass. Let's make sure we're a better person when it does.

---

**VICE PRESIDENT, MATT HUTCHEON - 60917**

*([vpresident@canadajcisenate.com](mailto:vpresident@canadajcisenate.com))*

These are indeed challenging and uncertain times. But, I am able to find some comfort in them from my JCI experience and network. Our time as active members of JCI prepared us to adapt to changes, alter plans and rise up to meet challenges. My network of caring JCI friends dedicated to the service of others makes me feel secure that I, nor any of us, will ever get left behind during times when many others will choose to look after only themselves. While our ability to meet in-person may be affected for some time, we can remain connected through the fun memories and achievements we have experienced together. I remain hopeful that we will be able to come together in Montreal in September, and I know that I for one will be even more appreciative now of those times where we can inspire, educate, comfort and celebrate each other together, in the same space. Please be safe, ask for help when needed, and know that the principles we live in JCI are needed now more than ever.

Gloria and I spent part of the winter in Hawaii (Waikiki) as we do each year. It is our go to place and we have the good fortune of spending time the Hawaii JCI Senate and Oldtimers. We attend their karaoke on a Thursday night, their annual banquet held on a Friday night and their annual dinner on a Saturday night. It is such a blessing to be part of their group. Especially Senators Katharine and Faye.

Hawaii Senators  
Katharine and Faye

Gloria, a star at  
Karaoke

US JCI Senate President  
Lawrence and wife Karol

Gloria and I were to travel to Europe in May and also take in the EC 2020 conference and pre-tour in Dublin but presently this travel will not be possible due to COVID 19. That makes us sad but Canada is not such a bad place to be stuck in!

**Please remember that the next Crew Meeting is on September 12, 2020 in Montreal, I urge you to register early.**

## SPOT LIGHT ON SENATOR SUE SOLYMOSI, 77603

My JCI career began in 2012; I was one year past graduating from University and searching for something to fill the void – education and growth have always been priorities for me. By September of that year, I decided to chair JCI Vernon's signature event, the JCI Hospital Gala where we raised money to support various initiatives at the hospital. From there, I catapulted into chairing and volunteering for various projects and events in Vernon. Halfway through 2013 our Chapter suddenly had a vacancy for the Communications Director, so I jumped at the opportunity to join in on leading the Chapter through the remainder of that year on the executive board. I continued on the board in 2014 as the Social Director, and then as the Chapter President in 2015.

From there, I could see the amazing impact that JCI members were making throughout the BC & Yukon Region, so I sat on the Regional Board as the Regional Secretary Treasurer in 2016, Regional President in 2017, and Past Regional President in 2018.

I have been honored a few awards over the years, including:

- 2013 member of the year, JCI Vernon
- 2013 member of the year, BC & Yukon Region
- 2015 Chapter President of the year, JCI Canada
- Senatorship, awarded January 2019

I have a few more years left as an active member, and plan to make the most of that time through work with the National Board. JCI Canada is in a transition time right now, with an influx of a newer generation; the importance of empowering those new members has never been more important. If you have an opportunity to watch any of the effective speaking competitions that will be happening throughout the country, please do – the topic is “What if JCI succeeded in empowering the next generation?” – I am excited to see what our membership comes up with.

## KAREN MACCANNELL, 49497

## US AMBASSADOR TO THE CANADIAN SENATE

Greetings to my Senators to the North,

As I sit at my desk at work and read through all my emails – every subject line contains COVID-19. From CEO's of major restaurant chains and hotels to National organizations. These are very strange times. Not sure how your citizens are reacting, but there is NO toilet paper to be found in our City. On the other side of this pandemic, the toilet paper industry will take a huge hit, as everyone is stockpiled for months if not years. At lunch today a friend mentioned that after all this self quarantine, and social distance...that in 9 months we will have a surge in new babies! They will forever be known as the Quarantines.

I work for a national architecture firm and our clients are major national banks, hotels, restaurants and retailers. Spring is our big trade show / conference times, and all conferences so far and into the future have been canceled or moved out many months. We are unsure at this time how/if this will impact our many spring US JCI Senate meetings, but I am hopeful we will all meet as planned. I have attached fliers for the US JCI Senate National Convention as well as Fall Board 2020 which is being hosted in my home state of Oklahoma. I invite each of you to please come visit us. Our meetings are a lot of fun with great fellowship.

I pray that you and your families are and continue to be safe and well.

---

## GENE BERNIER, 78652

## BC YUKON REGIONALS

Hey Senators

Gene here from JCI Kelowna and I wanted to share with you some information about JCI BC / Yukon Regional Conference which is slated to take place from May 29th to 31st. We are keeping an eye on the ever-evolving situation COVID-19, but we are keeping positive that it will be behind us by that time. We would like to ensure we provide a great experience for Senators and as such Sarah Simpson-Byrne 77788, Senator Relations, has a few questions she's like to ask you to help put together an engaging set of excursions for you all.

<https://forms.gle/ubr2WT958PQTc5Hz5>

### Never been to JCI BC/Yukon Regionals before?

JCI BC/Yukon Regionals is an annual conference for the BC chapters to have an opportunity to come together to develop JCI members through fellowship, training, and competitions to earn the right to represent our chapters at Natcon in Effective Speaking and Debate competitions. For the 2020 Regionals, the invite will be extended to include chapters from Alberta and Saskatchewan to provide full support for all of Western Canada. This year JCI Kelowna will plan and host the conference at UBCO, through using the facilities and on-campus accommodations which will help keep all members together for the entire weekend. The theme will be Do or Do Not By Making It So (Star Wars vs Star Trek). The event will feature incredible official JCI training opportunities and speakers to provide a wide variety of knowledge. Members will leave this conference with stronger ties to all our members and to JCI as a whole.

## SPOT LIGHT ON SENATOR DANIEL MACLAREN, 41351

How does one compress 40 plus years into a few paragraphs. Well, I can only try. In late 1976 I received a letter from the Mayor of Oshawa letting me know about Jaycees and suggesting as a young businessman I should join. I also received a letter from the Oshawa Jaycees informing me at the Mayor had recommended me for membership. I attended an intro night and made a decision that would affect the rest of my life. I became a Jaycee. Over the next 14 years committee work, being on the local and regional executive and attending regional, national and international conventions broadened my horizons, built up my confidence and gave me the skills to be a successful family man and a successful businessman. While on that journey Barbara and I gained many lifelong friends.

In March of 1987, while chairing a project to assist the Canada Jaycettes the Ajax Pickering Jaycees honoured me by presenting Senatorship 41351. At a dinner on a Saturday evening with over 100 Jaycees, Jaycettes and friends in attendance I received my Senatorship from Marion Pugsley the widow of Phil Pugsley, Senator 2 and one of the founders of the International JCI Senate. My time as an active Jaycee was winding down but my time in the Senate organization was getting started. As our children grew up Barbara and I were able to travel extensively in both Canada and the United States attending conventions, making friends, and promoting the Jaycee organization wherever we went. I was active in local Senate groups both in Toronto and Durham and in 2004 in Moncton was elected Vice President of the Canadian Senate and a year later in Calgary became President of the Canada JCI Senate. During our travels, we believed and still believe that "strangers are friends we have yet to meet". Now that we are living on Canada's east coast unfortunately we do not have much interaction with either the JCI Canada organization or the Canada JCI Senate. We still look forward to receiving the newsletters and we hope to be in Montreal this fall to attend the JCI Canada/Senate national meeting.

If I had to do it all over again would I join the Jaycees, you bet your life. Would I change some of the things I did along the journey, yes but not too many. Will I recommend membership in JCI Canada to young people today, of course I will! If you find yourselves on the south shore of Nova Scotia we would love to continue to make strangers friends. Be part of our "Circle of Friends."

**2019-2020 Winter Report Ambassador to USA**

I continue to travel, bringing greetings from this great country. Now I must be honest, I enjoy being spoiled at each event I attend as the only Canadian present. But I would truly love to share this great hospitality with other Canadians. If you have a trip planned for business or pleasure into the US let me know and I would be happy to work on setting you up a meeting with a Senator or Senators. I am so happy to say because of this organization and this appointment, I know at least one Senator in every one of the 50 States. I continue to be grateful that President Rob asked me to continue in this appointed position and strive to make you proud.

**January 23-26 2020 USA National Senate Winter Board, Melbourne FL.**

Lanyards presented - Chairman Denise Bauer, Registration Chairman BJ Craft, Facilitation Jay Edmondson, AL President Carla Bailey, GA President Cheryl Taciotti, Winner First Timer Jackie Julien, First USA Ambassador to Canada Ed Hayward. 20 hr drive = 1,337 mi = 2,152 km

**February 17-23 - Region VII Mini-National, Pigeon Forge TN**

Special Presentations as already have Lanyards- Chairman Nance Graef, NVP Dawna Norfleet, TN President Dexter Graef, Cuisine Teresa Beans Lanyards presented - Keys to the City winners - Pat Hoelker, Skip Hoelker, Tony Dominiec. 10.5 hr drive = 662 mi = 1,065 km Total up to date round trip travel this term - 9,546 mi = 15,366 km

**Upcoming Travel**

Due to my Doctors putting me on the at risk list and the Canadian Government implementing a travel advisory against non-essential travel outside Canada and travel insurance providers who will not cover any medical issues outside the country my plans have changed. Currently I have had to cancel March 27-29 trip to Region V Spring Fling in Bowling Green KY. My next planned event was Region II & III MAI in Jamestown NY April 2-5 but the committee made this choice for me and event has been cancelled. At this point I am playing it by ear for each event, and still booked for Apr 23-26 - Region VI Calabash in Myrtle Beach SC, Jun 21-26 - USA Convention in Greensboro NC.

My wish for all USA & Canadian families is to be well, make decisions out of knowledge not fear and be safe.

Hope to see you "DOWN THE ROAD" LINDA Blanchard lmb44776@hotmail.com

**STEFAN CHERWONIAK****2020 PRESIDENT JCI CANADA**

While we continue the adventure that has been 2020 so far it has brought up the continued requirement and importance of our relationships. JCI Canada is a strong network of young Active Citizens that are supported by a network of Senators – like they have been for decades. We started this year with a bang creating our first North American Leadership Academy engaging the local and national leadership in an opportunity that opened so many eyes – and to which some called transformational. Helping facilitate and train this experience along with JCI USA further deepened my concept of connectivity. As we move forward we want to ensure our ability to continue this connectivity abroad – with our strong relationship with JCI USA, and the rest of the world – and locally

between chapters and the opportunities therein. Our relationships are the back bone of our organization and we continue to look forward to working with the Canadian JCI Senate on as many opportunities as possible. I will look to the Canadian Senate to support the local organizations and their growth as well. Your connections can help us foster growth, and new chapters. If we can access your spheres of influence we can tap into resources that give us the capacity to flourish. If there is an opportunity that the Canada JCI Senate sees that we can participate with locally or nationally let us know! Participate! Listen to our new online podcast we have launched (if you need to ask your kids/grandkids what that is). It will give you a great perspective into the goings-on in our organization and in our chapters. Curious what our national board is up to? Our reporting is now video so you can see how we are operating and making impact on our local organizations. In our current times it's a strength in numbers game and all about ingenuity going forward. It is my goal for our chapters to stop operating in silos and to start idea sharing and coordinating shared events both nationally and cross boarder with the USA. We are one organization with the goal of creating the leaders of tomorrow – lets collaborate and make that happen. If you are an expert in your field and you have knowledge to share – lets use it. The brilliant minds we have across Canada and underutilized so let us commit to giving back.

We can't wait to also host the JCI National Convention in Montreal – a renewed chapter chartered last year. Their emphatic dedication to the organization has had them grow into a dedicate powerhouse in Quebec. We are all excited to be able connect once again – share our ideas and host a brilliant event in a beautiful city in Canada.

I can't wait to have more interaction with the Canada JCI Senate and the dedicated members therein. Don't be a stranger! Reach out – I would love to connect and see how we can continue to work together to be better. Our organization is an Empowerment organization that, through opportunities, create leaders of tomorrow. JCI Canada will be the mechanism in 2020 that will answer the needs of today generation and the generation of tomorrow.

## SENATOR COMMENTS

### Charles F Lawson 19539

A Happy and Healthy New Year to all my JCI Senate Friends! Seeing your names always brings back a lot of great memories! I credit a lot of my success over the years to what I learned and the contacts I met thru being a Jaycee! If only our governments would follow our Jaycee Creed. Best regards to all!

### Harry Steele 9035

JCI news always brings back fond memories of our Jaycee/Jaycette activities of our Scarborough days. Keep up the good work.

### A.J. Morton 16254 (Charlotte, NC)

Plan to visit USA for National JCI Convention Jun 21-26, 2020. Hopefully I can renew friendships with Canada JCI Senators for another Joint convention in Montreal.

## SENATOR SUE SOLYMOSI, 77603

## JCI CANADA PODCASTS

For the Senate newsletter, I'd like to submit a call out for JCI Canada Senators to submit 2-3 minute audio clips containing stores and/or memories from their experience as active JCI members. The goal with this podcast is to run it as a special feature to highlight the amazing history of JCI Canada.

Senators have two options to submit their audio clips:

- ? call in and leave a voice message directly on the podcast app at: <https://anchor.fm/jci-canada/message>

- o They would need to set up an Anchor account (which should be fairly simple and free) for this option.

- ? record the audio in another recording app or computer program and send to me by email, WhatsApp, or Facebook message.

The clips should contain:

- ? name and senator number

- ? original chapter (LOM) and length of service as an active member

- ? why they joined JCI

- ? what motivated them to stay in JCI

- ? favorite memory/project/story

- ? and/or an inspirational quote

- ? and/or most impactful lesson (putting a positive spin on a difficult situation)

Tips for the best sound quality:

- ? record indoors in a quiet space, limit any background noise and/or echo

- ? make sure you have good internet service/reception

- ? speak clearly and slowly

- ? remember to smile when speaking, people can hear that in your voice

We will be editing the clips to build the episode, so don't worry too much if you mess up; it can be fixed. I am looking for positive, uplifting and empowering messages to share with our membership. Please keep that in mind when recording your submission.

**Cut off for submissions will be May 31, 2020.**

---
