LE SENATE JCI DU CANADA
CREW MEETING
NEWSLETTER 2022**

PRESIDENT - SENATOR MATT HUTCHEON, 60917
president@canadajci-senate.com

Fellow Senators & friends of the Canada JCI Senate:

I am eagerly awaiting for our chance to be together in person at the JCI Canada National Convention in a few weeks, for those able to attend. As we all know from our time in the movement, the fellowship and personal relationships is perhaps the greatest gift from being in JCI, and the chance to experience that again face-to-face can't come soon enough for me.

Our focus this year has been on the continued integration and collaboration between the Canada JCI Senate and the current members of JCI Canada, and this convention will be a great next step. Senators and current members alike will experience almost all parts of the convention together, and I am excited to see the resulting connections that are established.

As Senators, we can be a helpful resource to current members, sharing our experiences (in JCI as well as business, community and life in general), ideas and networks. And I have no doubt that the current members, who have worked hard to keep JCI alive and growing through a pandemic and other challenges will provide us with inspiration and pride as we have the chance to learn more about the projects they are running, and the impact they are having on their communities and members.

The Senate AGM will be held on Saturday September 17th, and a zoom link will be provided before the convention begins to anyone wishing to participate virtually. As well, as we have done for the past number of years, we will pre-circulate an absentee ballot so that those not able to attend can still participate in voting on some of the key agenda items. The agenda will include the usual items of Senate business (Executive, reports, budgets, elections, etc.), but also a robust update from JCI Canada about their current local organizations and activities, as well as an open forum discussion on the future priorities and activities of the Canada JCI Senate itself.

I look forward to seeing as many of you as possible in person at the Convention in a few weeks, and otherwise hope a number of you will join the AGM virtually on the 17th.

SPOT LIGHT ON SENATOR JAQUIE CARBAJAL, 80332

My JCI journey began in 2011, when I attended my first meeting, chaired by JCI Penticton President and (now) Senator, Carol Sheridan. I knew immediately that this was a group of peers I could call friends. With their support and encouragement, I ran for my first executive board position and was elected as Treasurer in 2012.

Over the following ten years, I held the positions locally of Treasurer, Social Director, Secretary, President, Past-President, and Communications Director, and regionally as Secretary-Treasurer for the BC/Yukon Region. I had the honour of Chairing JCI Penticton's Regional Convention in 2017; the most challenging and rewarding event I was involved in by far. I will never forget co-emceeing with Senator Carol Sheridan in full costume to that crowd of incredible individuals.

Reminiscing about my time as a member of JCI brings back a mountain of happy memories; effective speaking with Senator Margie Hibbard, going on to compete at a regional level, not only chairing, but also creating meaningful events and trainings like JCI Penticton's Murder Mystery Fundraiser which is still running 9 years later, and their Business Plan Training, both of which Senator Monica Horning teamed up with me for.

JCI made me better professionally by improving my skills in speaking and presenting, and personally by gifting me with amazing friendships and learning experiences. I have been blessed to go through this journey with my awesome husband, Senator Carlo Carbaljal, 76611

I look forward to getting to know many of you better over the years to come, and feel such a great honor to be selected to join you all in the JCI Senate.

CANADA JCI SENATE

SENATOR KAREN MACCANNELL, 49497
US AMBASSADOR TO THE CANADA JCI SENATE
CanadaAmbassador@usjcisenate.org

Dear Canadian Senators,

Hard to believe that it is back to school time, seems like schools just got out. Hope everyone is having a good summer.

The 50th Anniversary of the US JCI Senate was in Louisville Kentucky in June it was a wonderful event. Followed by celebrating Friendships Full Circle and the end of a great year with Mike Andrews. We were so happy to have four Canada Senate delegates to celebrate with us. Thank you to Barry Evans, 42155, Paul McMillan, 42168, Ambassador Linda Blanchard, 42168 as well as Chairman of the Board Rob Cronkwright, 54515. We were all so thankful to see Linda in much better health and 'scooting' around the convention. Rob rallied and managed to play golf two times. One in the Past Presidents event as part of the 50th, and then the Foundation Golf outing later in the week. Think his 'coffee creamer' helped him make it through. Linda participated in the First Timer orientation, and spent a lot of the week meeting people and handing out Canada lanyards from her 2 year absence

At the year end banquet, Rob presented the Toast to the Queen and led us in Oh Canada! What an awesome time to hear the entire room singing! I loved having the group in, and hope someday to have more Canada representation at a national convention. Only hitch was a lost passport scare for Linda, but it was found at Customs and she has already retrieved it.

I am excited to have a group of US Senators who are coming to Kimberly. Past President Lawrence Pittman and his wife Karol, Past President John Robinson, my traveling partner extraordinaire Sheri Menendez and our national President Susan Hatcher. Susan's theme this year is Experience the Senate, and we plan to. We will be in the area almost a week touring around. We look forward to visiting our friends, a lot who we haven't seen since Vernon in 2019!

The US Fall Board meeting will be held in the Denver Colorado area (Golden) two weeks after our trip to Canada. Golden is located in the foothills of the Rocky Mountains. It will be a fantastic way for President Susan to 'Experience the Senate' with Canadian Rockies and Colorado Rockies in a few weeks.

Our winter meeting will be in Kenner Louisiana (New Orleans area) in January and we will wrap up the year of new adventures in President Susan's hometown, St. Louis Missouri.

I invite any and all Senators to join us for some fun and encourage you to join us as we 'Experience the Senate' this year.

Please let me know if I can help in anyway, or if you need information on one of our events.

See you in Kimberly.

.....

SPOT LIGHT ON SENATOR TERRY SINTON 41745,

In January of 1974 a friend told me about this great organization she had joined the North Calgary Jaycees. Intrigued I finally wrangled an invitation to dinner meeting. It took about 20 minutes into the meeting before I thought "I have got be one of these crazy people they are having such a great time I want in!" A week later I was on my first Jaycee trip on a bus headed to Expo 74 in Spokane and never looked back.

For the next 17 years + (till I aged out) I did it all and loved every minute. The single most surprising revelation was that I had not expected to learn so much or expected that the learning would be so easy. We did not do anything unless we could have a fun doing it and that made all the difference. I held local and regional office a number of times and chaired just about every project at some time or other and through that learned skills in business and management I don't think I would have gotten anywhere else.

Along the way I was shocked to receive our highest honor "The Senatorship". I was so not expecting it that I was tricked into presenting it to myself. (was told I was making a presentation to someone else and actually read out my own name from the certificate before I realized what was happening.)

The greatest benefits received from it all were two-fold. First, I made life long friendships which endure to this day, and second the skills I learned changed my life forever in many ways all good. I reached heights in my career that I would never have reached without Jaycees and still have many opportunities offered to me to this day. I am grateful to the organization and to all those who played a part in making my experience the "best time of my life", it was truly a gift.

CANADIAN SENATE AMBASSADOR TO THE ASSOCIATION OF THE SENATORS OF EUROPE (ASE)

SHIRLEY MOSHER, 36779

shirley.mosher@ns.sympatico.ca

Since my last report in early April I have been to two events in Europe – British Senate Drumming Out and the European JCI Conference.

The Drumming Out was in Leeds, England and attended by over 100 Senators from Great Britain, Sweden, Norway, France, Germany, and the USA. The weekend included tours of Leeds and historical sights in the area. The luncheons were held in various hotels in Leeds. At the Saturday luncheon I had the opportunity to speak on behalf of the Canada Senate thanking Janice and wishing Jonathan a successful year. The gala was held at Headingley Stadium – cricket field on one side and rugby on the other. The Drumming Out of Janice was a well done display of the respect the British Senate has for Janice during a very trying two years. Of course there was plenty of humorous moments to lighten the celebration. The Chain of Office was then handed over to Jonathan Nicholson.

The European Conference (June 8 – 13) was held in Bruges, Belgium and attended by over 1200 Jaycees and Senators. The theme of the conference was Food for Generations, the vision being to inspire a brighter food future. Presentations and the trade show focused on four pillars – Sustainable food systems, Nutrition, Gastronomy, and Food Heritage. The opening ceremonies featured a presentation by one of Belgium’s most famous Chocolateurs Dominique Personna of Chocolate Line – humorous, captivating , and creative. Check out his company website and note his Social Projects around the world. The Senators had a very special luncheon on Thursday, home hospitality on Friday evening, general assembly, bumblebee club meeting, and participation in the conference gala on Saturday.

The outgoing ASE President was my longtime friend Aud Fredriksen of Norway. The 2022-23 President is Filipe Carrera from Portugal.

At the General Assembly on Saturday I presented Aud with a gift of chocolates from Peace by Chocolates. I used the opportunity to talk about the success of this family of Syrian refugees.

My next stop is the National Convention in Kimberly. I am looking forward to seeing old friends and meeting some of the new Senators.

SENATOR LINDA BLANCHARD, 44776
CANADIAN AMBASSADOR TO THE US JCI SENATE

Lmb44776@hotmail.com

This last year has been my most difficult one with Covid procedures and restrictions starting to be lifted. The USA Senate was coming back to life, with events re-planned, hotels booked, National events being travelled too with large attendance numbers. 2021-2022 President Mike's theme "Friendships Full Circle" right on track with culmination at the celebration of the 50th Anniversary of the organization in June.

While Canadian Senators waited patiently for border to be opened we continued to follow senators travels on Facebook and Twitter. First event became available in Feb at the Mini National/Region VII/TN in Pigeon Forge which has had Canadian Senators in attendance yearly for 30 years or more. What better place to return and make the Canada Senate an active part of President Mike's Circle if not only for his last 5 months. It was great to be back, even through I may have jumped the gun as a little under the weather, but seeing so many of Canada's friends I feel, made it all worthwhile. Greetings given, gifts exchanged, C/U Lanyards presented: #215 TN President 54265 Jeff Cardwell, #216 Chairman 60771 Larry Norfleet, #222 Very Past Chairman Doc McCarty

June 25-Jul 1

Representing us PP 54515 Rob Cronkwright (Great job Rob, you did us Proud,) 42125 Barry Evans, 48164 Paul McMillan. As well as gifts and greetings from Rob, I presented year end from this year and caught up on missed giving for the past two years the Covid stole from us. July 14-17

Had a craving for pork (my favourite food) so off to annual Ohio Senate/Jaycee Pig Roast in Montpelier. Happy when asked to be put to work with registration. Fun Friday night when visiting VIP's, NVP's Region V Norm, Region II Bob, Region IV Pam, IL Pres Bill, OH Pres Amanda to name a few where made into human horses, bets made and race was on. Followed by the favourite activity of the weekend the meeting of the Guest of Honour by showing your affection as your friends pay to see you Kiss the Pig, with all monies from both events being donated. Saturday morning had the crafty creating trays and coasters all the while our main guest is rotating on the spit. That evening Great food, great people, great experience.

Aug 12-13

This was a sad day as I travelled to Van Wert OH as Ohio Senate and Canada lost a grand lady and friend known to many just as Mom, 63590 Marilyn Jones. We now have another Angel to watch over us. On my return I think she did, as this was an less than 48hr trip had no Duty allowance but did not stop me from buying so fully prepared to pay, Custom Officer asked usual question ? how much did I spend \$430.15, alcohol No, cigarettes No, his answer, Have a nice day so I hit the gas incase he changed his mind.. (Thank you Marilyn).

MEMORIAL - MAY THEY REST IN PEACE

NORMAN D "BUD" MCLAREN, SENATOR 26494 - JULY 2022

McLAREN, Norman D. "Bud"

November 14, 1937 - July 28, 2022

A man's man in an era where such things are no longer celebrated: secure, confident, hardworking, non-complaining, self-sufficient, polite, kind and decent.

Born the 6th child of Dick and Marion McLaren, Norm, or Buddy as he was known to friends and family, spent his early childhood in North Vancouver. His father was 3rd Mate on the North Vancouver ferry, while his mother owned the Blue and Gold Cafe.

In 1946 the family moved to Victoria. Buddy excelled at all sports, especially soccer. According to Denny Boyd's October 19, 1951 piece, when the youth league was full, his mother Marion stepped up as the Founder, Manager, Coach and Trainer of the Mic Macs Soccer Club - probably the only woman in Canada to do so. She was a force of nature. The team's unrivalled record of success and sportsmanship would set the mould for the man.

After graduating Victoria High School, Norm worked in Kitimat and Vernon. He was living in Vernon when he was drafted by the old Seattle Sounders, when they paid \$50 per game and \$25 per practice. While living in Seattle, he was drafted into the US Army. He trained at Ford Ord, California and was subsequently posted to the 5th General Dispensary, Robinson Barracks, Stuttgart, West Germany.

In 1963, in Germany, he married his first wife, Heidi. A year later, Dan, was born. In 1964 the small family moved to Melbourne, Australia and in 1967 they moved to Victoria, BC. In Victoria, Norm began a career in finance. In 1971, Canadian Acceptance Corporation transferred Norm to Campbell River. Shortly thereafter he was recruited by Avco and then CIBC. Norm opened CIBC's Ironwood Mall branch and was subsequently recognized as one of the bank's top-10 managers in Canada, at Niagara Falls, Ontario.

In 1981 he bought the Ideal Grocery Store - which he owned for 5-years. In 1986 he became the (founding) Executive Director of Campbell River Tourism, a job he truly loved. He travelled the world promoting Campbell River.

In 1990 he married his best friend Jill and together they built a beautiful home at Saratoga

Beach, on the golf course. Later that year he accepted an offer to become the Executive Director of the Comox Valley Economic Development Society. He was a tireless advocate for the Comox Valley. He travelled around the globe seeking economic opportunities for his region. He was good at it.

In 2002 Norm retired from C.V.E.D.S. Apart from an occasional consulting contract he golfed, fished and spent time at the family cabin at Cluculz Lake, BC. On May 1, 2021 Norm celebrated his 8th hole-in-one. Not bad for an 83 year-old.

Norm's greatest joy flowed from family. Late in life Norm learned that had a son, Alan. Norm and Alan made up for lost time and quickly developed a loving relationship. Norm regretted not knowing Alan sooner.

Norm was the "go-to-guy" for his nieces and nephews. He was an anchor to his sons and a sounding board to his daughters-in-law. He was a de facto dad to many young men who lacked a father figure. He was the real deal.

Norm was a consummate volunteer. Past President of the Jaycees. 3-time President of the CR Chamber of Commerce. A qualified soccer referee. A Santa Claus to thousands of children (he even had a CRTV Christmas show). Past President of the Lacrosse Association. Emcee of countless Salmon Festivals, Oyster Eating Contests and Miss C.R. Pageants. In 1973, he organized the arrival of Campbell River's first cruise ship, the Fairsea. In 1975 he unsuccessfully ran for a seat in the BC Legislature. BC's loss.

Norm was recognized for his community work. In 1973 Campbell River recognized him as the Citizen of the Year. In 1978 Junior Chamber International awarded him a Senatorship, 26494. In 1981 he was Canada's Senator of the Year. In 1983 he was made a Fellow of the BC Chamber of Commerce.

However his most cherished title was simply "Papa" - as he was affectionately known to his grandchildren.

Norm loved to watch Connor grow into a fine young man. He loved to fish with Sam. He loved to hear Sarah sing. He loved to hear Katie play the piano. Collect calls were always accepted. No matter was too small. Every recital was Carnegie Hall. Every hockey game was a Stanley Cup final. Every fish was "Walter".

Norm is pre-deceased by his father Richard "Dick" McLaren, mother Marion McLaren (nee McPhee), brother Donald McLaren, sisters Marva McLaren, Bonnie Tytler and Beatrice Forsythe.

He leaves behind: his beloved wife, Jill, sons Dan (Roberta), Loren (Mairi) Mallett and Alan Oakley. Brother, Richard McLaren. Grandchildren: Connor, Sam, Sarah and Katie. Numerous nieces and nephews. Friends too many to count. A grateful community and a legacy of service.

Norman Dennis McLaren leaves this world better than he found it.

A man's man. We love you Papa.

Memorial service will be held Saturday, August 27, 2022, at Piercy's-Mount Washington, Courtenay, BC at 1:30PM. Wake to follow at Crown Isle Resort.

HAROLD HARDY "HAL", SENATOR 23561 - MARCH 2022

January 5, 1943-March 14, 2022

It is with great sorrow that we announce the passing of Harold Kenneth Hardy. Hal loved spending time with friends, family and most especially, his beloved wife and partner in all things, Brenda. Hal lived the life he wished for. He had ups and downs, successes and challenges but above all, he had a lot of fun. As he'd promised, it was never boring.

During his membership in the Winnipeg Jaycees, Hal served as President of the unit and received a JCI Senatorship—the highest honor bestowed on a Jaycee. Hal's professional life spanned from the Signals Department at CNR to Manager of Business and Finance at the St. James-Assiniboia School Division to President and Owner of Buffalo Industries Ltd. where he worked along side his son for over 25 years.

Even after his retirement from Buffalo Industries, Hal never let the dust settle. He was on-the-go even while relaxing, which may be why boating was his favorite pastime. He could often be found, with a beer and a smile at the helm of Freedom IV on Lake of the Woods.

Hal will be sorely missed by his wife, Brenda Hardy (nee LeBeau), his children, Ken Hardy (Donna) and Cheryl Dallas (Clay), grandchildren, Lucas (Kaitlin), Julia, Brian, Cole and Kate and, sister and brothers, Murial, Tom, Doug and Norm, as well as by his special pal, 8-Ball, and many wonderful friends.

PETER MARKS, SENATOR 20407 - DECEMBER 2016

It is with great sadness that the family announces the passing of Peter on December 13, 2016 at the age of 83 at the Scarborough General Hospital Palliative Care Unit. Dear husband to late Elsie of age 81.

Loving and cherished father to Wendy (Russ), Gwen (Tom) and Doug (Melissa). He was a proud grandfather of Amanda, Daniel, Shayne, Aaron, Samantha and Heather and great-grandfather of Lily and Nyah and uncle to many nieces and nephews. He will also be remembered by all his extended family and friends.

Report - Membership Director

It has been a wonderful five years that I have had working with the Executive of the Canada JCI Senate. I have enjoyed my time, but it is now time to pass the reigns onto someone else. During this time, I have corresponded with some very interesting Senators from around the world. Also, a serious attempt has been made to update all of the bounce back emails. I wish to sincerely thank Senator Blair Fraser for all of the help that he has given me in this regard finding many people that we have updated, or noted as deceased, on the roster.

If any Senator knows of someone that has changed jobs, moved to another address or retired, please enquire as to whether their email has changed and if they updated their information with the Membership Director. membership@canadajcisenate.com

CANADA JCI SENATE

**PAST PRESIDENT AND CANADIAN AMBASSADOR TO THE ASSOCIATION OF JCI
SENATORS OF THE AMERICAS AND THE CARIBBEAN (ASAC)
SENATOR ROB CRONKWRIGHT, 54515
ppresident@canadajcisenate.com**

On June 25th it was my pleasure to travel to Louisville, Kentucky for the 2022 US JCI Senate National Convention. That evening I met informally with 50th Anniversary President Mike Andrews and some of his out-going National Board and National Chairs.

June 26th began with an early morning meet at the 50th Anniversary Golf Social where President Mike showed off his golf prowess. It continued that evening with the 50th Anniversary Dinner and Dance, where I had the honor of bringing greetings from President Matt and the Canada JCI Senate. As well as publicly congratulating President Mike, and all US JCI Senators on 50 outstanding years of Senate Leadership and Guidance.

June 27th I attended the 2021 – 2022 US National Executive Meeting. From there it was on to the Regions Party VIP Walk Through and the Regions Party.

June 28th was another early morning start (7:00am) with a trip to the 10th Annual Foundation Golf Tournament and Luncheon. From there it was back to the hotel, clean up and change, and off to the 2022 Foundation Dinner and Fundraising night.

June 29th, again at 7:00am, saw me joining the 10 Regional Presidents for the annual Memorial Service. Each Regional President, then myself, announced those that have left us in the past year, then lit a candle and rang the bell. From there I attended the 2022 Annual Business Meeting, where I once again brought greetings from President Matt and the Canada JCI Senate. I also recognized and congratulated President Mike and President-Elect Susan Hatcher. In the afternoon I attended their National Elections. And later that afternoon was invited to attend and speak at their 2022 – 2023 Executive Committee Meeting. That evening saw me joining my newly adopted fellow Senators from the Oklahoma JCI Senate, for a delicious dinner in town.

June 30th I was invited by my adoptive Oklahoma Senators to join with them in the National Regions Photo-shoot. Following that was the 2021 – 2022 Annual Banquet, Farewell & Awards, and the 2022 – 2023 Officers Induction & Passing of the Chain of Office Ceremony, at which I represented Canada in the leading of the Canadian National Anthem, and Toast to the Queen. Later that evening I was invited to an informal meeting of President Susan and her incoming 2022 – 2023 executive. I of course, promptly at midnight, informed all those at that meeting that it was then officially Canada Day. All those present toasted Canada Day 2022.

July 1st saw yet another early morning, with several, informal meetings with Past President Mike, with President Susan, and with a small group of Oklahoma Senators. Then off to pack the car, and start the 10 ½ hour drive back home.

It was a very hectic, but very enjoyable trip to my first US National. Extra-special thank you's to Ambassador Karen for always making sure that I was where I needed to be, when I needed to be there. I couldn't have done it without you Karen 😊 Had it not been for my knee replacement surgery 2 months ago, and the passing of my Sister 5 weeks ago, it would have been so much more.

Also from Rob:
